How to always win at Rock-Paper-Scissors

(A) Rhythmical fast chanting

First, take control of the game by yelling loudly.
While waving your fist, chant rhythmically in three beats.

     

First! Comes! Rock! Rock! Paper! Scissors!

It creates the illusion of a certain rhythm, and then chants at a high speed at last.

(B) Submarine scissors

Instead of holding your hand horizontally, hold it out as low as possible.
Bend your wrist as far as you can to make scissors.
Keep your fingers slightly bent, without fully extending them.
Because your opponent can only see the back of your hand, they'll think it's rock.

Plan B is submarine scissors.
Instead of holding your hand horizontally, hold it out as low as possible.
Bend your wrist as far as you can to make scissors.
Keep your fingers slightly bent, without fully extending them.
Because your opponent can only see the back of your hand, they'll think it's rock.
If your opponent shows scissors, quickly declare victory.
If your opponent shows paper, insist, "Look closely, that's scissors".
